

# MSCVPR

The Michigan Society for Cardiovascular and Pulmonary Rehabilitation (MSCVPR) is a statewide network of professionals dedicated to providing education opportunities, promoting an exchange of ideas, enhancing standards of care and improving communication among multidisciplinary health professionals who promote cardiovascular and pulmonary health.

MSCVPR was founded in 1988 to meet the needs of cardiac and pulmonary specialists in the state of Michigan. The Society was recognized as an affiliate of the AACVPR in 1989. Since that time, the society has grown significantly with representation from nursing, exercise physiology, respiratory therapy, physicians, students and academic faculty.

## MSCVPR Objectives

- To provide educational opportunities for professionals and students whose primary involvement is the care, prevention and education of cardiovascular and pulmonary diseases through sponsorship of conferences, scientific meetings and publications;
- To promote an exchange of ideas and network to enhance career opportunities and promote best practices within the State of Michigan;
- To provide recommendations and assistance for standards of care for cardiovascular and pulmonary prevention and rehab programs;
- To support the mission and initiatives of AACVPR and other professional and governmental organizations that parallel the initiatives of the MSCVPR;
- To increase awareness and highlight the benefits associated with cardiovascular and pulmonary prevention and rehab programs;
- Facilitate active participation by members in governmental advocacy and communicate issues relating to reimbursement within the State of Michigan.

## MSCVPR/AACVPR Benefits

- Opportunities to attend local and national seminars on current scientific and organizational concerns.
- Being part of a statewide and national network of professionals dedicated to cardiovascular and pulmonary rehabilitation.
- First hand knowledge of new or impending legislation affecting cardiovascular and pulmonary rehabilitation.
- Bi-monthly subscription to The Journal of Cardio-pulmonary Rehabilitation and Prevention (JCRP).

## MSCVPR/AACVPR

### Membership

- Membership in MSCVPR/AACVPR runs from July 1 to June 30.
- Membership dues are payable to AACVPR, but includes membership to both organizations.
- Yearly renewal of membership dues will be done separately from the annual MSCVPR conference registration.
- Discounted MSCVPR annual conference registration fees will be available to MSCVPR/AACVPR members.
- Annual conferences are generally held in April or May of each year.
- Emails are the primary form of communication within MSCVPR.
- Each member will receive a confirmation email upon receipt of membership application.
- Members are encouraged to join and participate in committees. For more information on the MSCVPR committees go to [www.mscvpr.org](http://www.mscvpr.org)
- For a listing of MSCVPR officers and committee chairs, go to [www.mscvpr.org/contacts](http://www.mscvpr.org/contacts)
